Grand Knight's April Message

Worthy Brothers,

Rejoice for He has risen!!! Wow what a great Lenten season we have had. It was awesome to see the Fry Daddy (Mike Rector) working again. I can testify that Mike Rector, Mike Murray and Randy Herron really outdid themselves this year!!! It's hard to know exactly how many hours these guys put into perfecting their recipes...but I know they spent several nights testing different recipes to please the patrons. Once again thanks to the whole Fish Fry team of volunteers, for they helped to serve over 1,000 people!!! The two annual Lenten "Fish Fry-days" have become more than just a meal. These 2 Fridays in Lent have become great social events for the Knights, OLOL and our community. I have seen and met people from all over the community coming to this event.

I hope all Brother Knights are working on helping the Annual Silent Auction put on by "Jersey Joe" Staub and Ed Corbitt. This year they are awarding 1st , 2nd and 3rd place prizes for the Knights who have brought in the highest dollar value! So please, help these guys and several others who have put numerous hours into making this Auction a success every year. This event helps to support several of our Knights of Columbus causes as well as many in our own community! Each Brother Knight is encouraged to ask a friend or business to donate something for this great cause! Contact "Jersey Joe" for more information at joemstaub@comcast.net .

Last, but not least I want to thank Dick Emery for his adventurous fundraising and his persistence to finish! Brother Dick as you all know does this newsletter every month from all over the place whether it be in the sun or the snow. This winter he did a snowmobile adventure to raise \$70,000 for Diabetes Research (Apparently, Dick has become the new 9132 fundraising Chairman-Congrats Dick!). Brother Tom Myerchin was part of his support team. From reading some of the blogs it seems that the adventure would definitely qualify for a book or possible new motion picture.

Three buildings in town were overrun by squirrels - the town hall, the hardware store, and the church.

The town hall brought in some cats. But after the cats tore up all the files, the mayor got rid of them, and soon the squirrels were back.

The hardware store humanely trapped the squirrels and set them free outside town. But three days later, the squirrels were back.

Only the church came up with an effective solution. They baptized the squirrels and made them members. Now they see them only on Christmas and Easter.

Fraternal Benefits News Necessity

Remember when a car was a luxury? People nowadays can't imagine life without one. A car has become a necessity.

Life insurance is the same. Today, more than ever, insurance protection is becoming a necessity rather than a luxury. Insurance can be used as a retirement fund or as a source of income for your family when you are no longer with them.

Why is it smart to have life insurance? Because, frankly, you can't afford to live without it.

Fish Frys - Success Again

Worthy Fryers

Once again the KofC annual Lenten Fish Fry's were a huge success. Over 1000 people were served our delicious fish with all the fixings. I would like to thank all those who volunteered their time helping out with the fry's, as well as those generous Brothers who also donated some fish. This event is always a favorite of our fellow parishioners. I look forward to continuing on the tradition next year. Thank you all again for your tireless work for our Church community. God Bless.

Mike (Fry Daddy) Rector

Thanks go to Fry Daddy for chairing this event every year.
