Grand Knight's June Message

Brother Knights:

Wow, **tempus fugit** when you are having fun! This has been a great year. Being a GK gives you the opportunity to see...a lot! Thanks for giving DGK Darrell Jones and me the chance to be at the helm. We have really enjoyed working together for the membership. We want to thank the behind the scenes people like **Dick Emery aka- The Newsmen!** This newsletter would not be possible if it weren't for him. He is constantly e-mailing people for certain information. He sends reminders for people like me. If you see The Newsmen thank him for all he does! Another Key player that we would like to thank is **The Financial Secretary...John Bolger**. He has tons of paperwork to keep up with as well as answering requests from several sources. John keeps this ship afloat! Then there is this BK who prints up the awards every month...patiently awaiting the names to be sent. His name is **Bill Degnan**. Thanks for your patience Bill. These are just a few of the several "behind the scenes" people that really make a difference...thanklessly!

Believe it or not there are women we would like to thank for giving us the support we needed this year. As a GK I would like to thank **my Wife, Shelley**, for she has seen me much less than usual. I appreciate her patience as well as her support. Also, Darrell has sent thanks to his great wife, **Elena!** She has been a great help for several events that we volunteered her to do! Last but not least is **Sharon Ratcliff!** Do I need to tell you all she does for us... probably not. Thanks, Sharon, for all you do for the Knights!

Also, we just want to thank **Mike Rector** for everything he does. He is always willing to listen and offer advice, if needed, at any hour of the night or day! He is great at empowering people to get involved and to take action. Easy now... Don't get all-mad about it!

Thanks to everyone for a great year!

GK Chris Fenton, DGK Darrell Jones

Fraternal Benefits News

Today you are giving your children the best education you can buy. Today your wife is living comfortably and not worrying about making ends meet. Will that be the scenario when you are gone?

If you have life insurance, the answer is a definite yes.

With life insurance your family is taken care of as if you are still with them. The family won't have the financial burden that comes with the passing of the breadwinner. Life insurance will be there to handle all the family financial needs. There is no undue stress on the family. Isn't that how you would want it?

The end result? Life goes on for your family almost as if you were still there. And that's a gift of love.

If you have any questions, please contact me by e-mail at Stephen.Sullivan@kofc.org or by phone at 516-9358.

That the order reached \$10 billion in benefits paid to member families since its founding in 2006?

Vandy Parking

Please set aside at least a couple of the game days to help. Dates this year are Sept. 4 and 11, Oct. 9 and 23, and Nov. 6, 20, and 27. We need 12 brothers for each of these dates. The hours of work won't be known until game time is set.

Knights Help Out Again

The Knights of Council 9132 came forward once again when several OLOL parishioners needed help with damage caused by the flooding.

While there were several instances of Knights helping others out, of special note was the group that got together on a recent Saturday and dispersed to two homes, one owned by a Brother Knight.

Joe Staub who spearheaded the effort provided the following synopsis of what transpired:

"I need to take a moment to say thank you to all the brothers and their friends and family that showed up today to help with the clean up of two homes that were affected by the Storm Waters of 2 weeks ago. Brothers showed up to tear out the flooded basement of Brother Dave and the home of Jorge and Sandra, parishioners of OLOL, today and the response was nothing short of

P H E O N E M E N A L.....

The team at the parishioner's home had a need to get down and dirty by pulling up subfloor plywood on the first floor and then getting down into the crawl space to pull up the insulation, ductwork, poly ground cover and, yes, even detach the 5 ton HVAC unit from the home so we could get the crawl space aired out. What's more these guys and parishioners had to haul a lot of the wood material a good distance to the street.....

The work here was nothing less than miraculous and you all have touched this family's lives like you cannot believe. I am so proud of you all.

At Brother Dave's home it was a cake walk..... Seriously it was because of the guys that got there and got 'er done..... His was just as devastated but on a much smaller scale and it was a basement on a solid slab and the workers did not have to jolly around on open floors. You have helped this family tremendously so that now they can rebuild.

Our special thanks and gratitude to the following Brothers and Angels: Parishioners Kim & her Son Brett, Jeannette, Vince, Mary Kay, and several of the parish youth, and Knights Doug Blake (Sewer Monkey), Mike Manor (Sewer Monkey 2), Thorn Schoch, Dan Ratcliff, Chris Fenton, Bill Degnan, Tony Domning, Roy Marshall, Stan Cummings, Inosencio Pacheco (a.k.a. Chico), and Terry Vollmer."

A teacher told her kindergarten pupils that they were to raise their hand if they had to go to the bathroom.

The next day, one of them said, "Teacher, last night I had to go to the bathroom, so I raised my hand. But it didn't help. I still had to go anyway."

How come it takes so little time for a child who is afraid of the dark to become a teenager who wants to stay out all night?

Seniors Enjoy Banquet Mass and Festivities

On Friday, May 7, 60 seniors were hosted at a Banquet Mass and the festivities that followed at the annual Council 9132 sponsored seniors event. Father Bevington said the mass substituting for Father Eric who had an asthma attack.

After the Mass and the delicious lasagna meal, the seniors had a chance to try their luck at play Blackjack and bingo as well as enjoy the music of Marlene Tachoir.

A great time was had by all and it was nice to see all the younger Knights serving their elders.

Organizers Bill Grist, Jon Hoscheit and Jerry Tachoir want to thank the numerous brothers who helped out and especially Larry Phillips who kept the event under budget with his beverage assistance.
